

## Bring Hope to a Senior in Need

Though we've said goodbye to what has truly been a challenging year for so many in our community, we know challenges still remain. The pandemic presses on, forcing us to adapt to a new daily way of life and support our loved ones from a distance.

And yet, for many of us, the new year brings hope. At Fort Bend Seniors, we are hopeful that soon we will be able to gather together to exchange stories, celebrate milestones, and simply to reconnect. But to get there, we need more than a vaccine... we need your help.

Watch the video above to learn how your donation can bring hope today to a neighbor in need, and help us prepare for the day we can all gather together again.
